

Richardson Cap Pricelist

Stock Caps: Caps ordered in the standard stock colors shown on the Richardson homepage. Stock cap models do not have an appendix at the end of the model number, for example PTS65.

Custom Caps: Caps where details of the cap (Visor, panel, button, eyelet, piping, sandwich visor etc.) are colored to the customers specification. These caps are listed as "CX" ("Custom Express"), "C" ("Custom") or "CU" ("Custom Ultra") on the Richardson website and offer different levels of custom options.

So "Custom" does not refer to the embroidery (this is always done to your specification, also on "Stock" Caps) but to the customization of the cap itself.

Blank stock caps: can be ordered with a minimum order requirement of 48 pcs. per model.

Embroidery cost per Cap/Visor/Beanie:

Raised 3D embroidery (not all designs are possible in 3D, only possible on front designs): € 8.00

Regular embroidery: € 7.50

Back or side embroidery, per location (not possible in 3D, only when ordered with a front design): € 3.50

Please note that Richardson does not embroider individual names or numbers.

To create a stitch file, please supply your logo in .jpg format in 300 dpi.

Minimum order requirement (decorated Caps):

18 to 48 caps, depending on embroidery design.

Richardson also offers a large selection of pre-digitized fonts and designs. For a full overview, please visit richardsonsports.com.

For further details regarding the below caps (available colors etc.), please visit www.richardsonsports.com
